

HB 2333

COMMERCE AND LABOR

1. Line 45, engrossed, after D.

strike

the remainder of line 45, all of line 46, and through Commonwealth on line 47

insert

Nothing in this section shall be construed to limit the ability of the Commission to approve or deny a certificate of public convenience and necessity for a small modular nuclear reactor under the pilot program or evaluate the reasonableness and prudence of the costs associated with such program. Any Phase I or Phase II Utility shall endeavor to utilize any federal funding available, to the greatest extent possible, in participating in and carrying out the goals of the pilot project pursuant to this section
